## **TEACHER ALINE BAUER.**

### **CLASS # 1 – March 24. (24/03/2020)**

Dear students,

We´ve just started studying Renaissance and its characteristics; then, our first activity was based on the idea of the mastery of illusionistic painting techniques, maximizing “depth” in picture, including linear perspective, light and shade.

For that reason, you should have created a “masterpiece” inspired by the videos shown in class.

**Activity # 1 – Take a picture of your creation and send (WhatsApp Group “Artes 1ºP”) to your teacher.**

**Today´s activity: 24/03**
