3. Let's visit online some museums around the world to appreciate and observe some of these masterpieces.
4. You should **choose ONE RENAISSANCE MASTERPIECE** from your list, and "**visit online**" the museum where it is.
5. So, **write about it** - describe all the Renaissance aspects and the characteristics of this painting.

Secondly, **write about your online visit experience / tour**. How did you like it? What else did you see? Have you ever been in that museum before? etc.

Let's discuss all that during our online class.

Choose one letter (preferably the first letter of your name) and create its anamorphic illusion artwork*.
